

# SYCAMORE VILLAGE COMMUNITY ASSOCIATION

## CANDIDATE STATEMENTS

---

**JULIE A. CASCARINI** - I have previously served on the board here at Sycamore Village for approximately six years. When COVID hit, I made the decision to step off the board. I moved to Sycamore Village in 1997 and have basically found it to be a very good community to live in. I retired from the Los Angeles County Office of Education in 2011 as an Administrative Assistant after 35 years. I think my experiences of living here for 27 years, being a previous board member, and my work background make me a very valuable asset to represent my community.

---

**DELBERT LINDGREN** – I am a Real Estate Broker with over 48 years experience including Property Mgmt. As a Sycamore Village property owner for 35 years I am dedicated to preserving our community and home values.

---

**DALE MELSON** - My name is Dale Melson. I am a homeowner for over twenty years who actually resides in the community. I previously served as a Board Member of the Sycamore Village Community Homeowners Association. Many of you know me as an active member of the community and accessible to all the residents to advocate for their concerns. I promise to serve for the well-being of the members of the Sycamore Village community and kindly ask you for your vote.

---

**HOWARD TAPIA** - I have lived in the Sycamore Village community for 32 years. I am an original owner. I have served as a member of the Homeowners Association for over 20 years, including serving two terms as a President. I am retired and gladly volunteered my time to oversee the ongoing projects in the community over the years, including slurry, painting, wood replacement, fence replacement, landscape maintenance, tree trimming to name a few. I wish to continue to do the work for the better of the community. I would appreciate your vote.
