Prior to any Board decision to discharge a lien, the Member or Members responsible for the existence of the lien must be given written notice and an opportunity to be heard by the Board and present any defenses which may exist.

ARTICLE 5: ARCHITECTURAL AND OPEN SPACE CONTROL

5.1 No Improvements or Alterations Without Approval. No Renovations by or on behalf of a Member which alter the exterior appearance of any Lot or its Improvements or Common Area are permitted until plans and specifications have been submitted to and approved in writing by the Board. Any Renovations which are unapproved, different from those approved by the Board, or done without required governmental permits, are automatically deemed disapproved and the Member must promptly remove or correct the disapproved Renovations to comply with the Architectural Standards, the Board's approvals, and governmental requirements.

5.2 Applicants in Good Standing. Only Members in Good Standing may submit requests for architectural approval of Renovations to their Lots or Common Areas appurtenant to their Lots. A Member is in Good Standing for the purposes of this Article, unless found by the Board, at a properly noticed hearing, (1) to be delinquent in the payment of any Assessment, fee, or fine, by more than sixty (60) days, and/or (2) to be otherwise in violation of the Association's Governing Documents.

5.3 Right to Decorate Residence. Members are permitted to decorate the interior surfaces of the walls, partitions, ceilings, floors, windows and doors within their Residence, subject to any restrictions or procedures found in these CC&Rs and any Rules established by the Association.

5.4 No Exterior Installations. 5.5 Architectural Standards. The Board is authorized to adopt, amend, and repeal Architectural Standards. These Architectural Standards interpret and implement the provisions of these CC&Rs by setting forth the standards and procedures for the review and approval of

proposed Renovations, guidelines or requirements for architectural design, placement of any Renovation, color schemes, exterior finishes and materials, and similar features which are recommended or required for use within the Development, provided that the Architectural Standards meet any minimum standards required by these CC&Rs. If any conflict exists between the Architectural Standards and these CC&Rs, the CC&Rs prevail.

5.6 Architectural Control Committee. The Board is authorized to appoint an Architectural Control Committee. If the Board does not appoint an Architectural Control Committee, the Board is automatically deemed to be the Architectural Control Committee. The Architectural Control Committee is advisory only. The Board has the authority to approve, reject, modify, give conditional approvals, and give limited approvals of improvements and alterations as provided for in the Association's Architectural Standards. The Association will be responsible for the maintenance of the landscaping on the Common Area Lots, and the front yard and sideyard areas of each private residence Lot in the Development.

- a. *Architect.* The Board is authorized to retain the services of an architect and one or more consultants to assist the Board or Architectural Control Committee in its duties. Compensation for consultants' services must be determined by the Board. The cost of such consultants and any related expenses may be charged to those Members submitting plans for Renovations as a Reimbursement Special Assessment. Any significant costs for which the Member will be responsible must be submitted to the Member for approval before being incurred by the Association.
- b. *Conflicts of Interest.* A Director or Architectural Control Committee member is not permitted to participate in the decision-making process of any architectural submittal made by that Director or Architectural Control Committee member or members of his or her family. Further, a Director or Architectural Control Committee member is not permitted to participate in the decision-making process of any other architectural submittal if the approval would result in a monetary benefit to the Director or Architectural Control Committee member or any company in which the Director or Architectural Control Committee member, or members of his or her family have a financial interest.

5.7 Submission of Plans.

- a. Plans and specifications in accordance with the Association's Governing Documents, describing the proposed Renovations, must be submitted to the Board by personal delivery or certified mail.
- b. Applications are deemed approved within forty-five (45) days from the date of submission of a complete application unless (i) disapproved by the Board, (ii) additional information necessary to properly consider the application is requested by the Board within the forty-five (45) day period, or (iii) any proposed Renovations would violate the Association's Governing Documents, any Building, Safety and Fire Codes, or any other laws.

- c. Applications shall not be approved by any individual Director. In the event an individual Director approves architectural plans and specifications, such approval should not be relied upon and shall not be deemed approval.
- d. The Board is authorized to impose any reasonable conditions of approving an architectural application, in writing, including, but not limited to, (1) requiring modifications of particular aspects of the Member's architectural submission and/or (2) requiring the preparation, execution and recording, at the Member's expense, of a covenant establishing maintenance, repair and replacement, indemnity, and other obligations binding current and future Members owning the Lot.
- e. Applications that are disapproved must be in writing and must explain why the proposed Renovation is disapproved. The Member is permitted to seek reconsideration of a disapproved application, in writing, by the Board, unless (1) the original disapproval was made by the Board or a body that has the same membership as the Board at a meeting that satisfied the requirements of the Open Meeting Act or (2) as to any Renovations that were disallowed because they would violate the Association's Governing Documents, any Building, Safety and Fire Codes, or any other laws. A permissible written request for reconsideration must be received by the Board not more than forty-five (45) days after the denial. Within forty-five (45) days after receipt of the request for reconsideration, the Board must hold an open meeting to consider the reconsideration and decide. Failure of the Board to decide within the forty-five (45) day period is deemed a decision in favor of the Member.
- f. Once an application has been approved, material modifications to the approved plans and specifications thereof are not permitted and any subsequent alterations, relocations, additions or modifications require a separate application, review and approval. If a proposed material modification is likely to materially affect other aspects or components of the work, the Board, in its discretion, may order the Member and his or her contractors and agents to cease working on both the modified component of the Improvement and any other affected component.
- g. Unless a shorter period is specified in the approval, Renovations approved by the Board must be completed within one (1) year of the Member receiving approval. Renovations not completed within one (1) year must be resubmitted for approval. The Board, in its discretion, may grant short extensions for Renovations to be completed.

5.8 Rescinding Approval. The Board is authorized to rescind previously approved plans but only for good cause.

5.9 Failure to Comply with Approval Requirements. Any Renovations, whether in progress or completed, which (1) were not approved in by the Board when such approval is required by the Governing Documents, (2) violate the Board's conditions of approval, the

Association's Governing Documents, or any Building, Safety and Fire Codes, or other laws, or (3) were performed by an unlicensed contractor (where a licensed contractor was required by law, the Governing Documents, or the Board's conditions of approval), are automatically deemed disapproved and in violation of the Governing Documents.

5.10 Review Fees and Remodeling Agreement. The Board is authorized to establish a schedule of fees to be charged to an applicant to reimburse the Association for any out-of-pocket expenses it may incur in connection with the approval of an application, including architectural and/or engineering consultant fees, attorneys' fees for the preparation of recordable covenants or easements, or other documents uniquely necessary for compliance with reasonable conditions of approval, and expert expenses for reviewing plans. In addition, the Board is authorized to adopt and require Members to sign a remodeling agreement.

5.11 Variances. The Architectural Control Committee is permitted to recommend reasonable architectural variances to the Board for review and approval, at the Board's discretion. The Board may grant the variance if it determines the variance will not (i) constitute a material deviation from the overall plan and scheme of the Development, (ii) result in a material detriment to the Association or any Member, or (iii) create a nuisance in the Common Area or affecting any other Member. The granting of a variance by the Board is not a variance or waiver as to any other Lot, nor does any variance affect the applicability or enforceability of any provision of this Article in respect to any other Lot.

5.12 Engineering and Code Requirements. Plans and specifications approved by the Board are not approved for engineering design, Building, Safety or Fire codes, or other safety specifications. Approval by the Board does not absolve Members of the responsibility of obtaining any necessary governmental approvals or permits. Members must ensure compliance with applicable Building, Safety and Fire codes, ordinances, and specifications.

5.13 Inspection. The Association has the right, but not the obligation, to periodically inspect any work approved by the Board. Members must allow inspection. Any work in progress may be halted and the Member will be subject to a fine if (1) an inspection is not allowed, or (2) the Renovations are in violation of the Governing Documents as provided in the Section above entitled "Failure to Comply with Approval Requirements" or elsewhere. Such inspections do not absolve Members from compliance with the Association's Architectural Standards and all applicable Building, Safety and Fire codes.

5.14 Building Department and Association Approvals. Any construction, repair, modification, or alteration of any Improvement requiring the issuance of a building permit must be submitted by the Member to the appropriate governmental entity for review and approval. The Board may impose conditions of approval which are more restrictive than conditions imposed by governmental agencies. If the conditions of approval imposed by the governmental entity and the Board conflict, the more restrictive conditions control.

5.15 Mechanics' Liens. Members must ensure that no lien is placed against any other Lot, or against the Common Areas, for labor or material furnished to their Lots. If a lien is placed against the Common Areas and/or another Member's Lot, and the responsible Member does not immediately cause the removal of the lien, the Association may, after written notice to the

responsible Member, pay the amounts necessary to have the lien removed and levy a Reimbursement Special Assessment against the responsible Member for the monies advanced and any fees and costs incurred by the Association.

5.16 Hold Harmless and Indemnify. Approval of plans by the Association signifies only a general conformance with its Architectural Standards and not with Building, Safety, or Fire code compliance, lot lines, easements, or best construction practices. The Association and its Architectural Control Committee, Members, Officers, Directors, employees, and agents are not liable and must be held harmless, defended and indemnified for mistakes in judgment or negligence arising out of or in connection with the Association's approval or disapproval of plans.

5.17 Combining Lots. The combining of Lots is not permitted without prior written Board approval. Once combined: (i) the Percentage Interest in the Common Area allotted to the combined Lots will equal the sum of the Percentage Interests in the Common Area of each of the combined Lots; (ii) the Assessments due and owing on the combined Lots will equal the sum of the Assessments levied against each of the respective Lots so combined; and (iii) the Owner of the combined Lots will continue to have the same number of votes assigned to the Lots before they were combined.

5.18 No Right to Divide Lots. No Member is permitted to divide any Lot; provided, however, that once two or more Lots have been combined, the Members owning such combined Lots are permitted to restore them to their original dimensions and footprint only after receiving prior written Board approval.

No trailer, RV, bus, mobile home, tent, shack, garage, temporary building or structure of any kind is permitted to be occupied or lived in at any time. 5.22 Removal of Temporary Buildings. Temporary buildings or structures used during construction or remodeling must be removed immediately after the completion of construction.

5.23 Diligent Construction. The construction of any building or structure must be prosecuted diligently and continuously from the time of commencement until fully completed, and all structures, once the foundations are erected, must be completed in eighteen (18) months.

5.24 Landscaping Following Construction. Within two (2) months of the completion of any construction work during which the Association's landscaping requirements were waived, or within any shorter time frame required by the Board, Members must landscape their Lots as required by the Association's Architectural Standards and/or any conditional approvals of the Board.

5.25 Sideyard Landscaping. Any landscaping or other alterations, modifications or replacements in the sideyard areas maintained by the Association shall be at the Member's expense and shall require approval in accordance with this Article 5. Any landscaping planted/installed by a Member is the Member's responsibility to maintain, and replace.

5.26 Waiver of Liability. Neither the Board or its members nor the Association or its Officers, Directors, employees or agents are liable for any damage, loss or prejudice suffered or claimed on account of the Board's review, approval, or disapproval of any plans, drawings or specifications, or the conformance of the construction with the approved plans and any such claims are expressly waived.

ARTICLE 6: PATIOS

6.1 Member Maintenance of Patios. Members must, at their sole expense, maintain their Patios as described below and as indicated on the Maintenance Responsibility Chart.

- c. *Patio Doors*. Members must maintain, repair, and replace their Patio doors, door casings, thresholds, flashing, weather stripping, waterproofing, caulking, door guides, and any other related hardware and sealants.

6.2 Right to Inspect and Repair. To ensure Member and Association obligations are met, the Association has the right to enter onto Patios to inspect them. Failure by a Member to maintain a Patio gives the Association the right to repair it in accordance with the notice and repair provisions of these CC&Rs. The Association is permitted to recover the costs of such repairs by imposing a Reimbursement Assessment and imposing a lien against the Lot, if not paid, as provided for in these CC&Rs.

6.3 Patio Alterations. Members have no right to paint or alter their Patios without the prior written approval of the Architectural Committee.

7.33 Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, are permitted to be constructed, placed or maintained anywhere in or upon any Lot without advanced written approval of the Board. 8.8 Transfer of Occupancy. Members living offsite must promptly provide the Association with the current name, address, phone number, and email address of all Lot Residents and any changes in such information.

8.9 Repairing Damage. Members are liable for all damage to the Lots, Common Areas and any personal property which was caused by the negligent acts or omissions of such Member, Member's Tenant, or their respective family, guests, invitees, vendors, or pets. The Association is authorized, in its discretion to repair, restore or replace such damaged property and is permitted to impose a Reimbursement Special Assessment against the liable Member for all costs and expenses incurred by the Association from repairing, restoring or replacing the damaged property. The Reimbursement Special Assessment may become a lien against the liable Member's Separate Interest enforceable by the sale of the Member's Lot under Civil Code sections 2924, 2924(b), and 2924(c).

8.10 Unlawful Detainer. Members who lease their Lots and/or Residences must ensure compliance with the Association's Governing Documents by their Tenants. If a Member fails to take legal action against his/her Tenant, who is in violation of the Governing Documents, within ten (10) days after receipt of the Association's written demand to do so, the Association is permitted to institute unlawful detainer proceedings on behalf of such Member and against the Tenant and the Association is hereby granted right of possession to the Lot and/or Residence for such purpose. The Association may be awarded costs of suit and/or attorneys' fees by the court as provided by law.

8.11 Assignment of Rents. As security for the payment of Assessments, fines, and other sums owed to the Association, Members who lease their Residences pledge their rights as Landlords (including the right to receive rent) to the Association. If a Member becomes delinquent in payment of Assessments or fines to the Association, the Association is permitted to

assign the rents payable by the Tenant to the Association until the Member's account is paid in full as provided for in Civil Code §2938 or any other provision of law. During the period of assignment, Members have no right to collect the assigned amounts from Tenants and may not evict Tenants for complying with the Association's assignment of rents.

ARTICLE 9: PETS

9.1 Pet Limitation. Usual domesticated dogs, cats, and birds may be kept in Lots as pets. No more than two (2) dogs or two (2) cats or one of each may be kept as pets. No animal is permitted to be kept, bred, or maintained: (i) for any commercial purpose; (ii) in unreasonable numbers; or (iii) for any purpose that would involve any odor, noise, or other nuisance which would unreasonably disturb the use and enjoyment of any portion of the Development by other Members. The Board is permitted to adopt additional Rules and Regulations regarding the quantity, kinds and sizes of pets, and tanks which may be kept and other pet issues not conflicting with these CC&Rs. Animal shelters on Lots are prohibited.

9.2 Assistance Animals. An animal otherwise prohibited by these CC&Rs, which is kept by a Resident for the purpose of servicing the Resident's qualified disability, may be kept by such Resident provided the animal is properly cared for (i.e., kept healthy, clean, and properly groomed and waste material is properly disposed of) and not unruly or disruptive (e.g., barking, growling, running loose, displaying aggressive behavior, etc.). All pet rules apply to assistance animals, unless contrary to law.

9.3 Nuisance. The Board is authorized to prohibit any animal which, in its opinion, constitutes a nuisance to other Members pursuant to evidence provided at a noticed hearing.

9.4 Dangerous Animals. No wild or undomesticated animal, or animal which the Board has determined to be aggressive or dangerous pursuant to evidence provided at a noticed hearing, is permitted to be kept in the Development. The Board is authorized to require dogs found to exhibit aggressive or dangerous behavior to wear a muzzle while in the Common Area until a further determination is made by the Board as to whether the pet will be allowed to remain in the Development.

9.5 Liability. Members are liable for any injury to Persons or property caused by any animal brought or permitted onto or kept within the Development by the Member, Member's Tenant or their respective family, guests, or invitees.

9.6 Control. Pets are permitted in the Common Area, only as permitted by the Rules or this Section. All dogs in the Common Area must be on a leash held by a Person capable of controlling the dog. The Association is permitted to remove any unleashed dog found within the Common Areas to a pound or animal shelter under the jurisdiction of the city or county in which the Development is located.

ARTICLE 10: VEHICLES AND PARKING

10.1 Management of Parking. The Association manages and controls the use of all Common Area parking and private streets.

10.2 Restricted Parking. Only the following types of vehicles are permitted to be parked or stored in parking spaces: automobiles, trucks, motorcycles, and mopeds. Vehicles must be parked completely within the parking space. No RV, camper, boat, recreational watercraft, trailer, or any other similar vehicle is permitted in any portion of the Common Areas or in any parking space. Only permitted vehicles may be stored in parking spaces. RVs, campers, boats, recreational watercraft, trailers, or any other similar vehicles may be placed or maintained within an enclosed garage.

10.3 Commercial Vehicles. Commercial vehicles, including pickup trucks one ton or larger panel trucks, tow trucks, stake bed trucks, tank trucks, dump trucks, step vans, concrete trucks, taxis, buses, vans designed for ten (10) people or more, vehicles with commercial signage, and the like, are prohibited, except as provided in the Rules and Regulations.

10.4 Parking. Any and all unassigned Common Area parking spaces shall remain permanently available for guest parking. Owners are to use their garages or driveways for parking of their vehicles so that any Common Area parking will be available for guest parking. The Association may establish rules and regulations from time to time for the parking of vehicles in any unassigned parking spaces in the Common Areas. Use by owners of any unallocated parking spaces must be established by the Association, and such use must be set forth in written notice from the Association. This permission will create only a license to use such parking spaces, revocable at any time by the Association with five (5) days' written notice. Parking in the Common Area shall be regulated by the Board. Unless prohibited by law, the Association is permitted to suspend guest parking rights at a disciplinary hearing due to delinquent assessments, unpaid fines or other charges, and repeated rules violations. Parking on the sidewalk is prohibited.

10.5 Renting of Parking Spaces. Renting or leasing a parking space to a non-Member, except to a Tenant as part of a lease of a Lot, is prohibited.

10.6 Proper Operating Condition. All vehicles parked or stored in the Development must be maintained in proper operating condition, and not be a hazard or nuisance by noise, exhaust emissions, or appearance. All vehicles parked or stored in the Development must carry current registration tags and must be insured.

10.7 Noise Limitation. All vehicles must be configured to operate quietly.

10.8 Repair of Vehicles. Construction, repair, or servicing of vehicles within any portion of the Development is prohibited. However, emergency repairs are permitted when necessary to move a vehicle to a proper repair facility.

10.9 Washing of Vehicles. Except as provided for in the Rules and Regulations, washing or detailing vehicles in the Development is prohibited.

10.10 Fluid Leaks. Members must keep their driveways, Common Area, and streets in front of their Lots free of fluids such as oil, radiator coolant, brake fluid, power steering fluid, etc. Members who fail to do so are subject to fines or other discipline, and a Reimbursement Assessment for the cost of cleaning the affected areas.

10.11 Theft or Damage. The Association is not liable for any loss or damage suffered by any Member, Tenant, or guest due to theft of or damage to any vehicle or vehicle contents, unless resulting from the Association's intentional misconduct or gross negligence.

10.12 Impeding Access. Vehicles must not impede or prevent ready access to any door, gate, entrance, or exit.

10.13 Garages. Except to allow construction of an accessory dwelling unit and/or junior accessory dwelling unit which the Association must permit under the law, garages may not be converted to any use other than the storage of vehicles. Garages are not permitted to be sublet except to the extent permitted in the Section entitled Rental of Parking Spaces in this Article. Members are responsible for garage door hardware and for maintaining the doors in proper working order.

ARTICLE 11: ENFORCEMENT OF GOVERNING DOCUMENTS

11.1 Association Enforcement Rights. In addition to any other rights described in these CC&Rs and without waiving the Association's right to institute any other enforcement measures, and subject to the notice and hearing provisions in the Bylaws and as required by law, the Association is authorized to enforce the Governing Documents by any of the following means:

- a. *Monetary Penalties (Fines)*. The Board is authorized to assess reasonable monetary penalties (fines) for violations of the Association's Governing Documents by a Member, Member's Tenants or their respective family, invitees or guests. A monetary penalty (fine) imposed by the Association as a disciplinary measure for failure of a Member to comply with the governing documents, is hereby treated and deemed to be an assessment that may become a lien against the Member's separate interest, but such lien may not be enforced by the sale of the interest under Sections 2924, 2924b, and 2924c (non-judicial foreclosure). As assessments, Members are liable for all costs of collection, including reasonable attorneys' fees, court costs, and related expenses for delinquent monetary penalties (fines).
- b. *Suspend Common Area Privileges*. The Board is authorized to temporarily suspend Common Area privileges of Members, Member's Tenants and their respective family, invitees, and guests for their failure to comply with the Association's Governing Documents. Any such suspension must be for a period of time not to exceed thirty (30) days for each noncontinuing violation. For continuing violations, the suspension may be imposed for as long as the violation continues.
- c. *Dispute Resolution*. As to any dispute between a Member and the Association, the Association is authorized to engage in Internal Dispute Resolution and/or Alternative Dispute Resolution as provided for in the Governing Documents and the law.

- d. *Judicial Enforcement.* A lawsuit for damages, declaratory relief, and/or injunctive relief may be filed, whether or not the relief sought is for negative or affirmative action.

11.2 Cumulative Remedies. The respective rights and remedies, provided by the Governing Documents, under the law, or available in equity, are cumulative and the exercise of any one or more of such rights or remedies does not preclude or affect the exercise, at the same or at different times, of any other such rights or for the same or different failures of the Members or others to perform or observe any provision of the Governing Documents.

11.3 Failure to Enforce Not a Waiver. Failure to enforce the Governing Documents, whether by the Board or any Member or other Person entitled to enforce them, is not deemed a waiver of the right to do so. Waiver or attempted waiver of any provision of the Governing Documents with respect to a given Lot is not deemed a waiver of such right as to any other Lot. Additionally, violation of any provision of the Governing Documents by the Members owning any Lot or Lots does not affect the applicability or enforceability of any provision of the Governing Documents against the Members owning any other Lot.

11.4 Remedy at Law Inadequate. If event remedies at law for violation of the Association's Governing Documents are inadequate, then equitable, declaratory, and/or injunctive relief may be sought and awarded.

11.5 Right of Action Against Buyer. If a Member fails to correct architectural, nuisance, or other continuous violations concerning the Member's Lot prior to the transfer of title to the Lot to a buyer, the Association retains the right to enforce compliance against the buyer for such violations.

11.6 Right to Request Identification. All Persons using the Association's Common Area facilities must show proper identification when requested by Directors of the Board or the Association's peace officers or security personnel.

11.7 Attorneys' Fees. If any party initiates any action or proceeding to enforce or interpret the Governing Documents or California law relating to the Development, the prevailing party is entitled to recover reasonable attorneys' fees and court costs, including reasonable expert fees, as permitted by law.

ARTICLE 12: RIGHT OF ENTRY

12.1 Limited Right of Entry. During reasonable hours and subject to the notice requirements contained in this Article, the Association's representatives, employees, and vendors are authorized to enter Lots and Common Areas: (i) to inspect and perform maintenance, repairs, or replacements to the Common Areas; or (ii) to mitigate or repair damage; or (iii) to inspect the Lots to ensure compliance with the Governing Documents.

12.2 Notice of Entry. The Association must give at least three (3) business days' written notice by personal delivery, or five (5) calendar days' written notice by first class mail or email, to the Resident and a Lot Owner, stating the purpose for and time of the entry. Email

notification may be used only if the recipient previously consented to receive such notices and communications from the Association by email.

12.3 Avoid Unreasonable Interference. The right of entry must be exercised to avoid unreasonable or unnecessary interference with the possession, use, and enjoyment of the Member or Resident of such Lot.

12.4 Emergency Entry. In an emergency, the Board or its authorized representatives may enter the Lot without permission and is not subject to liability to the Member or Resident for such entry. If exercised in good faith, such entry is deemed to be consented to by all Members and does not constitute trespass or any other wrongful act. If the Association must damage or destroy property to gain access to the Lot, the Member will have no right of action against the Association or its representatives for such damage or destruction. However, the Association must repair any such damage or destruction if the emergency did not originate in the affected Lot. Prior to emergency entry, if feasible, the Board must make a good faith effort to contact a Member owning the Lot.

12.5 Refusal to Allow Entry.

- a. *Entry by Court Order.* Following any refusal to expressly grant entry permitted in these CC&Rs, the Association may file suit and seek a court order to gain entry authorized in these CC&Rs. However, if the Member owning the Lot or a Resident of the Lot has expressly prohibited entry authorized in these CC&Rs, the Association's representatives are permitted to gain entry only after filing suit and obtaining a court order.
- b. *Entry without Court Order.* If the Member owning the Lot or a Resident of the Lot does not expressly prohibit entry authorized in these CC&Rs, but is unavailable or otherwise refuses to expressly grant access, the Association, through its representatives, are permitted to enter the Lot, without a court order, in the manner permitted elsewhere in this Article. Such Persons entering with no court order, when acting in good faith, are not liable for trespass or any other unintentional damages resulting from such entry.
- c. *Recovery of Attorneys' Fees and Costs in Lawsuit.* If the Association files a lawsuit to gain entry and prevails, it is entitled to recover by from the Member, by judgment, all expenses the Association incurred because of refusal to allow entry, including, without limitation, the cost of hiring a locksmith, the cost of repairing damage that was reasonably necessary to gain entry, and reasonable attorneys' fees and costs of suit for enforcement of this provision of the CC&Rs as the court may order.
- d. *Expenses Not Recovered as Part of a Lawsuit.* If the Association gains entry without a court order and/or chooses not to seek recovery it expenses in a lawsuit, it is permitted to recover all expenses it incurred because of refusal to allow entry, including, without limitation, the cost of hiring a locksmith and the cost of repairing damage that was reasonably necessary to gain entry, but

excluding attorneys' fees, by a Reimbursement Special Assessment against the Member, enforceable by all means provided for in these CC&Rs and by law, including lien and foreclosure.

12.6 Damage Repaired by Association. Any damage caused by the Association to the Common Areas or Lot improvements must be promptly repaired by the Association to original building construction standards. The Association is authorized to recover the cost of any damage caused by others, but repaired by the Association, by a Reimbursement Special Assessment (if caused by a Member, a Member's Tenant, family member, invitee or guest), or any other legal means against the responsible parties.

12.7 Entry by Member. Each Member must permit other Members and their representatives to enter his/her Lot to perform installations, alterations, or repairs to the mechanical or electrical services to a Lot, if: (i) requests for entry are made in advance; (ii) entry is made at a time reasonably convenient to the Member whose Lot is being entered; and (iii) the entered Lot is left in substantially the same condition as existed immediately preceding such entry. Any damage to the Lot caused by entry must be repaired by the entering Member. Both the Member allowing entry and the Member gaining entry must hold harmless and defend the Association and its Officers, Directors, Committee members, Members, agents, and employees against claims of damage or injury resulting from one Member's entry into another Member's Lot.

ARTICLE 13: ASSESSMENTS

13.1 Purpose of Assessments. The general purpose of Assessments is to provide for the recreation, health, safety, and welfare of the Members, enforce and comply with the Governing Documents, manage the Development, enhance the quality of life in the Association, improve, maintain, repair, and replace Common Areas and areas on the Lots that the Association maintains, provide for the acquisition and maintenance of property, services and facilities devoted to these purposes, and for any action or undertaking on behalf of the Association.

13.2 Regular Assessment. The Board must levy Regular Assessments in an amount sufficient to provide for the performance by the Board of each and every one of its powers and duties provided, however:

- a. *20% Limitation.* Pursuant to the Davis-Stirling Act, the Board is not permitted, without the approval of Members casting a majority of the votes with a Quorum present, to impose a Regular Assessment which is more than twenty percent (20%) greater than the Regular Assessment for the immediately preceding fiscal year. Quorum for the purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Regular Assessments must be fixed at a uniform rate for all Lots.
- c. *Payable Monthly.* Regular Assessments are payable by each Member against whom assessed in twelve (12) equal monthly installments on the first day of

each calendar month or at such other dates and in such other installments as the Board determines. Assessments for new Members must be prorated in the first month of membership according to the date on which the individual becomes a Member.

- d. *Written Notice.* Written notice of any increase in Regular Assessments must be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the increased Assessment becoming due.
- e. *Modification of Assessment.* The Board may modify the Regular Assessments during the course of a fiscal year if necessary to conform to a revised estimate of costs and expenses. However, if the aggregate increase exceeds twenty percent (20%) of the Regular Assessment for the immediately preceding fiscal year, the Board must obtain the approval of Members as provided for in the Davis-Stirling Act. If an annual Regular Assessment is not published for a new fiscal year, the Regular Assessment for the prior fiscal year will apply and govern each Member's payments until changed by a new Regular Assessment.

13.3 Special Assessment. In addition to the Regular Assessment, the Board may levy a "Special Assessment" for any purpose necessary for the Association to carry out its duties; provided, however:

- a. *5% Limitation.* Pursuant to the Davis-Stirling Act, the Board is not permitted, without the approval of Members casting a majority of the votes with Quorum present, to impose a Special Assessment which is more than five percent (5%) of the budgeted gross expenses of the Association for such fiscal year. Quorum for purposes of this provision means more than fifty percent (50%) of the Members of the Association.
- b. *Uniform Rate of Assessment.* Special Assessments are fixed at a uniform rate for all Lots.
- c. *Reimbursement Assessments.* Special Assessments are also permitted to be levied against individual Lots for reimbursement of expenses incurred by the Association arising out of actions or omissions of such Member, Member's Tenant, or their respective family, guests, invitees or pets, as expressly provided for elsewhere in these CC&Rs.
- d. *Payment Schedule.* Special Assessments are payable by each Member against whom assessed either monthly or at such dates and in such installments as the Board determines.
- e. *Written Notice.* Written notice of Special Assessments must be sent by first-class mail to each Member not less than thirty (30) days nor more than sixty (60) days prior to the Assessment becoming due.

13.4 Emergency Assessment. In emergency situations, the Board may increase Regular Assessments beyond twenty percent (20%) or impose Special Assessments above five percent (5%) only as provided for by law.

13.5 Deposit of Assessments. All sums received by the Association must be promptly deposited into accounts clearly designated in the Association's name.

- a. *Commingling*. The Association must maintain separate accounts for its operating funds and its Reserves, respectively, and no funds from those separate accounts are permitted to be commingled at any time.
- b. *Interest*. No Member has the right to receive interest on any such funds deposited.

13.6 Reserves. All sums assessed and collected by the Association which are budgeted to fund Reserves for anticipated long-term maintenance, repair, and replacement of Common Area components, the cost of which would not ordinarily be incurred on an annual basis, must:

- a. *Be Segregated*. Be received in trust by the Board, set aside and segregated from the other monies and not be commingled with the Association's Operating Account.
- b. *Be Invested*. Be invested in low-risk investments consistent with the requirements of Civil Code §5380. Reserves must be deposited in a financial institution, as defined in the Financial Code §31041, in California, which is insured by the federal government, the Federal Deposit Insurance Corporation, the National Credit Union Administration Insurance Fund, or a guaranty corporation subject to the Financial Code §14858 and only into accounts that protect the principal. In no event may reserve funds be invested in stocks or high-risk options.
- c. *Require Two Signatures*. Be withdrawn from the Reserve account only upon approval by the Board and the signature of two (2) Directors.
- d. *Not Be Reimbursed*. All contributions to the Reserves, as well as interest earned, are for the benefit of the Association and not to the benefit of any individual Member. As such, contributions and interest are not refundable to Members when they cease to be Members of the Association.

ARTICLE 14: ENFORCEMENT OF ASSESSMENTS

14.1 Liability for Assessments. Assessments, together with charges, interest, costs, and attorneys' fees (regardless of whether legal proceedings are instituted), are a debt of each owner of a separate interest at the time the assessment or other sums are levied. Co-owners and/or Members owning a full or partial interest in a Lot are jointly and severally liable for the entire amount of all Assessments, late charges, interest, reasonable costs of collection, reasonable attorneys' fees, and monetary penalties.

14.2 Enforcement Rights. In addition to any other rights provided for by law or described in these CC&Rs, the Board has the right to collect delinquent Assessments as follows:

- a. *Late Fees and Interest*. Unpaid Assessments are deemed delinquent fifteen (15) days after they are due and are subject to a late charge of the greater of either ten percent (10%) or Ten Dollars (\$10.00), which may not be imposed more than once on any delinquent payment, and interest at the rate of twelve percent (12%) per annum, which may commence thirty (30) days after the Assessment becomes due.
- b. *File Suit*. The Association is authorized to commence and maintain a lawsuit directly on the debt without waiving its right to establish a lien and initiate foreclosure against the Member's Lot for the delinquent Assessment. In any action to collect delinquent Assessments, late charges or interest, the prevailing party is entitled to costs and reasonable attorneys' fees. All amounts included in any judgment may become the subject of a judgment lien in any county in California in which an abstract of judgment is recorded.
- c. *Lien and Foreclose*. In accordance with the Davis-Stirling Act, a delinquent Assessment or installment, together with any late charges, interest, costs, attorneys' fees, and penalties, will become a lien on the Lot upon the recordation of a "Notice of Delinquent Assessment" in the Office of the County Recorder. The Board is permitted to enforce any Assessment lien against a Lot by filing an action for judicial foreclosure or by nonjudicial foreclosure in the manner provided for in the Davis-Stirling Act. The Association, through its Board, is authorized to bid on the Lot at the sale and may hold, lease, mortgage, and convey the acquired Lot as permitted by law.
- d. *Continuing Lien*. Any demand or claim of lien or lien on account of prior delinquencies is deemed to include subsequent delinquencies and amounts due on account thereof. It is the intent of these CC&Rs that any lien recorded against a Separate Interest by the Association to secure payment of delinquent assessments and/or other amounts be a continuing lien to include any and all subsequent assessments and other amounts as permitted in the Davis-Stirling Act, to the full extent allowed in *Bear Creek Master Ass'n v. Edwards*, (2005) 130 Cal. App. 4th 1470.
- e. *Suspend Privileges*. Subject to the notice and hearing provisions set forth in the Bylaws, the Association is authorized to suspend Membership privileges, except voting rights, until the delinquent Assessments, fees and fines, including any accumulated penalties, interest, and costs of collection have been paid in full.
- f. *Additional Remedies*. The remedies provided in this Section are in addition to, not in substitution for, any other rights and remedies which the Association may have.

14.3 No Offsets. All Assessments are payable in the amount specified by the Assessment and no offsets against such amount are permitted for any reason, including, without limitation: (i) a claim that the Association is not properly exercising its duties and powers, as provided in these CC&Rs; (ii) a Member has not made or elects not to make use of the Common Area; (iii) any maintenance, repairs or replacements for which the Association is responsible have not been performed or have not been performed to a Member's satisfaction.

14.4 No Exemption by Waiver of Use. Members are not permitted to exempt themselves from liability for Assessments nor release their Lots from liens and charges by waiver of their use and enjoyment of the Common Areas, by abandonment of their Lots, or through non-use of Common Areas or membership privileges.

14.5 Attorneys' Fees. Any reasonable attorneys' fees and costs incurred by the Association in the collection of assessments, late fees, and interest against a Member may become a Reimbursement Special Assessment against that Member, which may be collected in any manner provided for by these CC&Rs or by law.

14.6 Non -Waiver of Assessments. If the Board fails to approve a Budget or fix the Assessments for the current year, the Budget and Assessments from the preceding year continue until a new Budget is approved and new Assessments are fixed.

ARTICLE 15: INSURANCE

15.1 Association Insurance. The Association must obtain and maintain policies of insurance as described below. To help keep premiums at a reasonable level, the Association is authorized to establish appropriate deductibles for its policies of insurance. Unless otherwise determined by the Board, coverage must be on an occurrence basis.

- a. *Automobile Liability Insurance*. If appropriate, the Association is permitted to purchase non-owned and hired automobile liability coverage and garage-keepers legal liability coverage.
- b. *Boiler and Machinery Insurance*. If appropriate, the Association is permitted to purchase insurance for the loss or damage to or as a result of equipment failures such as boilers, pressure vessels, pressure pipes, motors, mechanical breakdowns, electrical failures, and the like.
- c. *Commercial General Liability ("CGL")*. The Association must maintain one or more CGL policies which provide appropriate liability limits for injury or death to one or more Persons in any one accident or occurrence. The Association must carry coverage in amounts that meet or exceed those called for in Civil Code §5805 and any successor statutes.
- d. *Direct Physical Loss*. The Association must maintain one or more policies for loss or damage by fire or other perils covered by the standard "Special Form" policy (or its equivalent) covering all Common Area Improvements in the

Development, and such other Improvements in the Development as the Board may deem appropriate.

The amount of such insurance must not be less than one hundred percent (100%) of the aggregate full insurable value, meaning replacement cost, not a depreciated amount or actual cash value (ACV), if available. The coverage must be written on a blanket basis with an agreed value endorsement and an inflation guard endorsement, if available. The Association's insurance policy must be primary with respect to property damage in the event of overlapping coverage with a Member's property damage policy. Because construction costs can be unpredictable and suddenly escalate whenever large losses occur, Directors are not liable if actual construction costs are greater than the 100% replacement cost provided by the insurance policy. In addition, if available, the Association must include the following:

1. "Ordinance or Law Coverage" or its equivalent, including:
 - (a) Coverage for Loss to the Undamaged Portion of the building or structure.
 - (b) Demolition Cost Coverage.
 - (c) Increased Cost of Construction Coverage.
 2. "Maintenance Fees Receivable" coverage, or its equivalent, to cover the loss from unpaid or uncollected Assessments resulting from a covered property loss.
 3. Such other endorsements which the Board may deem necessary or reasonable.
- e. *Directors and Officers.* The Association must purchase Directors and Officers errors and omission insurance insuring the Association, Directors, Officers, Committee members, trustees, Association employees, Association volunteers, any community manager in contract with the Association, any management company in contract with the Association and employees of such Association management company who perform services on behalf of the Association. The Association must carry coverage in amounts that meet or exceed those called for in Civil Code §5800 and any successor statutes.
- f. *Earthquake Insurance.* The Association may purchase earthquake insurance, after considering the cost and availability.
- g. *Employment Practices Liability.* The Association should consider purchasing employment practices liability coverage (whether or not it has employees), when available and affordable.

- h. *Fidelity Bond.* The Association must maintain fidelity bond coverage for all Directors, Officers, Committee members, and employees of the Association in an amount no less than the greater of either (1) 150% of annual operating expenses plus Association reserves, or (2) the combined amounts of the total assessments of the Association for three months, plus Association reserves. Such fidelity bond must include coverage for computer fraud, funds transfer fraud and social engineering fraud. If the Association uses a managing agent or management company, the fidelity bond coverage must also include dishonest acts by that person or entity and its employees.
- i. *Flood Insurance.* When required by any first mortgage holder, Fannie Mae, Freddie Mac, or the Fair Housing Administration (FHA), the Association must purchase flood insurance on any portion of the premises that Federal Emergency Management Agency (FEMA) determines to be in a Special Flood Hazard Area (SFHA). Otherwise, the Association may purchase flood insurance, after considering the cost and availability.
- j. *Umbrella Policy.* The Association may purchase an excess or umbrella policy over its public liability and property damage, Directors and Officers liability, and workers' compensation policies to provide higher liability limits as the Board determines.
- k. *Workers' Compensation.* The Association must carry workers' compensation insurance as required by law to cover employees of the association. If available, the Association may also purchase a Voluntary Labor Endorsement to protect its volunteers.
- l. *Crime Insurance and Fidelity Bond.* The Association must maintain crime insurance, employee dishonesty coverage, fidelity bond coverage, or their equivalent, for its directors, officers, and employees in an amount that is equal to or more than the combined amount of the reserves of the Association and total Assessments for three months. The coverage maintained by the Association shall also include protection in an equal amount against computer fraud and funds transfer fraud. If the Association uses a managing agent or management company, the Association's crime insurance, employee dishonesty coverage, fidelity bond coverage, or their equivalent, shall additionally include coverage for, or otherwise be endorsed to provide coverage for, dishonest acts by that Person or entity and its employees. Self-insurance does not meet the requirements of this section.

15.2 Failure of Association to Acquire Insurance. The Association, and its Directors and Officers, shall have no liability to any Member or Lender if, after a good faith effort, it is unable to obtain any insurance required hereunder, because the insurance is no longer available or, if available, can be obtained only at a cost that the Board in its sole discretion determines is unreasonable under the circumstances, or the Members fail to approve any assessment increase or special assessment needed to fund the insurance premiums. In such event, the Board will

immediately notify each Member and any Lender entitled to notice, that the specific insurance will not be obtained or renewed.

15.3 No Liability for Directors. If the insurance required by these CC&Rs is not available, or if available, can be obtained only at a cost that the Board in its sole discretion determines is unreasonable under the circumstances, or the Members fail to approve any assessment increase or special assessment to fund the insurance premiums, resulting in the Association not purchasing insurance, the Association and its Directors and Officers shall not be liable to any Member or Lender. Additionally, the Association, and its Directors and Officers, shall not be liable to any Member or Lender if it does not obtain any of the insurance referenced hereunder which is not required, but may be obtained at the discretion of the Association. The Board may, in good faith in its sole discretion, determine that obtaining any of the discretionary insurance is unreasonable or unnecessary under the circumstances. In making a determination as to whether to acquire any such discretionary insurance, the Board may base its decision upon, among other things, a vote of the Owners.

15.4 Member Obligation to Carry Insurance. At their sole expense, Members must purchase and maintain insurance covering their real and personal property. This includes, without limitation: (i) personal property coverage that insures the contents of their Lot and/or Residence against damage or loss; (ii) real property coverage that insures their Lot and/or Residence against damage or loss, including, but not limited to, all improvements to the Lot and/or Residence and all fixtures and components within or appurtenant to the Lot and/or Residence; (iii) premises liability that includes protection for bodily injury and property damage; (iv) personal liability coverage, (v) loss of use that protects a Member for additional living expenses should his/her Lot and/or Residence become uninhabitable due to a covered loss; (vi) loss assessment coverage that protects against Special Assessments due to a loss which exceeds the Association's master policy limits or deductible, (vii) master policy deductible coverage, and (viii) such other coverage as the Member deems appropriate. In addition, if a Member operates a vehicle which is driven across or stored in the Association's Common Areas, the Member must carry appropriate automobile insurance. The Association has no obligation to police this provision and is specifically relieved of any responsibility or liability from doing so or failing to do so.

- a. *Waiver of Claims.* Members waive their claims against the Association to the extent such claims are covered under insurance which Members are required to carry under these CC&Rs, regardless of whether Members actually carry such insurance.
- b. *Assignment of Proceeds.* If any loss intended to be covered by the Association's insurance occurs and the proceeds payable by the Association's insurance are reduced because of proceeds paid under a Member's insurance coverage, that Member must assign such insurance proceeds to the Association, to the extent of the reduction. The Board must apply those proceeds to the same purposes as the reduced proceeds received by the Association.

15.5 Tenant Insurance. Members must require Tenants to have renters or tenant insurance, including coverage for damage to or loss of personal property, personal liability, medical payment to others, and loss of use.

15.6 Responsibility for Deductible and Uncovered Losses.

- a. *Intentional or Negligent Acts*. If any Common Area property is damaged as a result of the intentional or negligent acts or omissions of any Member, Member's Tenant, or their respective family, guests, invitees, vendors, or pets and a claim is tendered to the Association's insurance carrier, the Member will be solely responsible for paying any portion of the claim not paid due to the deductible.
- b. *Non-Negligent, Unintentional Acts*. If any property damage loss which results from a failure of any component, element or portion of the Development and did not result from a negligent or intentional act or omission is tendered to the Association's property damage policy, the Association will apportion the deductible of such policy or policies amongst all claimants according to the percentage each claim bears against the total of all claims for the loss when distributing the Association's insurance proceeds to the various claimants.
- c. *Uncovered Losses*. Apart from deductibles as set forth above, responsibility for any losses for which the Association's property damage policy does not provide coverage will be determined according to the maintenance, repair and/or replacement provisions set forth in these CC&Rs and/or the law.

15.7 Liability for Increased Insurance Rates. If any negligent act or omission of any Member, Member's Tenant, or their respective family, guests, invitees, vendors, or pets causes an increase in the cost of the Association's insurance, the amount of the increase may be assessed against the Member and his/her Lot as a Reimbursement Special Assessment.

15.8 Choice of Contractor. With respect to any repairs for which proceeds of insurance are paid or are payable to the Association, the Board must designate the contractor to perform the repairs to the Common Areas.

15.9 Insurance Company Rating. All policies of insurance required by this Article must be issued by either a California admitted insurance company or an approved carrier on the California List of Approved Surplus Line Insurers (LASLI). Each such carrier must hold an A.M. Best Insurance or Standard and Poor's rating of "A" or better.

ARTICLE 16: PROTECTION OF LENDERS

16.1 Furnishing of Information. Each Lender is, upon written request, entitled to inspect the books and records of the Association during normal business hours and receive

written notice of Board and Membership meetings and designate a representative to attend such meetings.

16.2 No Priority Over Rights of First Mortgagees. Nothing in these CC&Rs gives a Member or any other party priority over any rights of first mortgagees of Lots, pursuant to their mortgages, in the case of a distribution to Members of insurance proceeds or condemnation awards for losses to or taking of Lots and/or the Common Area. Additionally, if any Lot or any portion of a Lot is made the subject matter of any condemnation or eminent domain proceeding, no provision herein entitles the Member, or any other party, to priority over a first mortgagee of a Lot, concerning any distribution of the proceeds of any award or settlement.

16.3 Relationship with Assessment Liens. Any lien that the Association may have on any Lot for the payment of Assessments subordinates to the lien or equivalent security interest of any Lender with a first trust deed or mortgage on the Lot, made in good faith and for value, and no such lien impairs the obligation or the priority of such trust deed or mortgage, unless the Lender expressly subordinates its interest, in writing, to such lien.

16.4 Foreclosure. Any holder of a first mortgage who takes title to a Lot, pursuant to the remedies provided in the mortgage, through foreclosure of the mortgage takes the property free of any claim for unpaid Assessments or charges against the mortgaged Lot which accrued prior to the time such Person takes title to the Lot.

16.5 Priority of Mortgage Lien. No breach of any provision of these CC&Rs nor the enforcement of any lien created herein affects, impairs, defeats, or invalidates the lien of any mortgage or deed of trust made in good faith and for value, but these CC&Rs are binding upon any Member whose title is derived through foreclosure, trustee sale, or otherwise.

16.6 Payment of Taxes and Charges. Lenders may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area. Lenders making such payments shall be owed immediate reimbursement from the Association.

ARTICLE 17: LIMITATIONS OF LIABILITY

17.1 Standard for Liability. Officers, Directors, Committee members, employees, or agents are not responsible to the Association, or any Member, Member's Tenant, or their respective family, guests, or invitees for any loss or damage to the Association, or any Person or property suffered by reason of water, fire, smoke, explosion, electricity, dust, sand, insect or rodent infestation, or any other source, unless there is clear and convincing evidence the damage or loss was caused by the willful, intentional or bad faith misconduct of the Association's Officers, Directors, Committee members, employees, or agents, based upon the information such individual possessed at the time of the purported act or omission. The Association's Officers, Directors, Committee members, employees and agents cannot be held strictly liable for their acts or omissions.

17.2 Limited Personal Liability. No Officer, Director, Committee member, or employee of the Association is personally liable for any loss, injury, or damage to Persons or property for any act or omission, if the act or omission was performed in good faith, within the scope of the Person's duties for the Association, was not self-dealing, and did not constitute willful or intentional misconduct.

17.3 Association Not a Security Provider. The Association is authorized to provide security measures in the Development. However, the Association is not a provider of security and has no duty to provide any security in the Development. The obligation to provide security lies with each Member individually. The Association cannot be held liable for any harm, loss or damage to Persons or property by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. This includes, but is not limited to, any harm, loss or damage from theft of or damage to any article or thing placed or stored in or on any portion of the Common Area.

17.4 Duty to Defend. The Association must indemnify and defend and must advance reasonable attorneys' fees and costs to its Officers, Directors, Committee members, and employees for all expenses and liabilities reasonably incurred by such Person(s) regarding any proceeding (including, but not limited to, alternative dispute resolution proceedings) to which they are a party by reason of having been an Officer, Director, Committee member, or employee of the Association. However, the Association may recover its attorneys' fees and costs from, and is not liable for any judgments or other liabilities for the acts or omissions of, any Persons adjudged to have acted in bad faith or in gross negligence in the performance of their duties to the extent permitted by law.

17.5 Duty to Protect. The Association must protect its Officers, Directors, Committee members, and employees from unlawful harassment in the workplace as such phrase is defined in the law. However, the Association has no duty to prosecute or fund the prosecution of any claim or cause of action which an Officer, Director, Committee member, or employees of the Association asserts against another Officer, Director, Committee member or employee of the Association, or against a Member, which is (1) not based on conduct of the accused performed in the course and scope of his or her duties (2) founded on personal issues or disputes between the parties, (3) for personal injuries or emotional distress, or (4) for defamation.

17.6 Personal Injury or Property Damage Sustained Within a Lot. This Section applies if any Person sustains personal injury or property damage within a Lot and the injury or damage results in a claim against the Association or any of its Officers, Directors, Committee members, Members, agents, or employees. The Owner of the Lot where the injury or damage occurred must: (i) fully indemnify and hold harmless the Association, Officer, Director, Committee member, Member, agent, or employee against whom such claim or suit is brought; and (ii) defend, at his/her own cost and expense, any resulting litigation against the Association, Officer, Director, Committee member, Member, agent, or employee. However, there is no obligation to hold harmless, defend or indemnify any party whose gross negligence or willful misconduct was the cause of the injury or damage.

17.7 Actions Against Directors. Members are not permitted to and waive all rights to file an action or state any cause of action in any pleading against a Director or Officer of the

Association, acting within the scope of that person's duties as a Director or Officer unless the court first determines that the Member seeking to file the pleading has established evidence that substantiates the claim.

ARTICLE 18: DAMAGE/DESTRUCTION TO IMPROVEMENTS

18.1 Generally. All provisions of this Article 17 apply only when the Common Area has been partially or totally destroyed by fire, earthquake, groundwater flooding or other similar casualties.

- a. *Cost of Reconstruction*. As soon as practical, the Board must: (i) obtain bids from at least two (2) reputable contractors that are licensed in California and insured, which bids must set forth in detail the work required to reconstruct the damaged or destroyed portions of the Common Area to substantially the same condition as they existed prior to such damage and the itemized cost of such work (subject to any increased building standards then in effect); and (ii) determine the amount of all insurance proceeds and Reserves available to the Association for the purpose of effecting such reconstruction.
- b. *Automatic Reconstruction*. If the cost to reconstruct the Common Areas, excluding the deductible and the value of any insurance proceeds due the Association, is less than or equal to three times the amount of the total annual operating Budget of the Association for the current fiscal year, the Board, without a vote of the membership, must cause the Common Area to be reconstructed to substantially the same condition as existed prior to such damage (subject to any increased building standards then in effect). Such reconstruction must be completed as promptly as practical. Notwithstanding any other provision, the Board is authorized, without a vote of the membership, to levy an Emergency Special Assessment against the membership to provide the funds necessary for such reconstruction and/or for repayment of any monies borrowed by the Association for such reconstruction.
- c. *Membership Approval*. If the Board determines that the cost to reconstruct the Common Areas, excluding the deductible and the value of any insurance proceeds due the Association, is an amount greater than three times the total annual operating Budget of the Association for the current fiscal year, then the Common Areas must be reconstructed unless sixty-seven percent (67%) of the membership, by ballot or at a special meeting called for such purpose, vote not to reconstruct the damaged or destroyed Common Areas.
- d. *Distribution of Insurance Proceeds*.
 - i. *No Partition Action Promptly Filed*. If a partition action is not filed within six (6) months of the partial or total destruction, the Board must distribute the insurance proceeds available for reconstruction, together with any other sums otherwise available to the Association for such purpose, to the Owners, less costs for clearing the debris, collecting insurance proceeds,

and any other expenses necessarily incurred as a result of the damage or destruction, proportionately according to an appraised fair market value of the Lots (as of a date immediately prior to destruction or condemnation). Such payment is subject to rights of Mortgagees holding Mortgages encumbering Lots and all unpaid Assessments, together with any interest charges. Appraisers hired by the Board to appraise the Lots will be paid by the Association.

- ii. *Partition Action Promptly Filed.* If a partition action is filed within six (6) months of the partial or total destruction, the Association must interplead the insurance proceeds available for reconstruction, together with any other sums otherwise available to the Association for such purpose, to the Owners, less costs for clearing the debris, collecting insurance proceeds, and any other expenses necessarily incurred as a result of the damage or destruction into the partition action.

18.2 Association's Duties. If the Common Areas, any Improvements thereon, and/or any other portion of the Development which the Association is obligated to maintain, repair or replace, are partially or totally destroyed by fire, earthquake, flood or other casualty, the Association must maintain, repair, replace and/or restore same to its former condition (or better) as promptly as practical. The proceeds of any insurance received must be used for such maintenance, repair, replacement and/or restoration.

18.3 Member's Duties. If a Member's Lot, any Improvements thereon, and/or any portion of the Development which the Member is obligated to maintain, repair or replace, are partially or totally destroyed by fire, earthquake, flood or other casualty, the Member must either: (i) restore the same to its former condition (or better) as promptly as practical, or (ii) as promptly as possible remove the damaged Improvement and any debris and place the Lot in a clean and presentable condition to the satisfaction of the Board.

18.4 Duties of Board During Reconstruction. If reconstruction is undertaken, the Board must: (i) enter into a written contract with a contractor who is licensed and insured for such repair, reconstruction, and restoration; (ii) disburse insurance proceeds available for the work, along with funds collected by reason of Assessments, in appropriate progress payments; and (iii) take all steps necessary to ensure the commencement and completion of such repair, reconstruction, and restoration in a lawful, workmanlike manner at the earliest possible date.

18.5 Interior Residence Damage. Restoration and repair of any damage caused by fire, earthquake, or other casualty to: (i) the interior of any individual Residence; (ii) personal property, furniture, furnishings, and decorations contained within a Residence; or (iii) any Improvements which were added to the Residence by any present or prior Resident or Lot Owner must be made by and at the individual expense of the current Lot Owner. The repairs, restoration and reconstruction must be completed as promptly as practical and in a lawful and workmanlike manner. If the work is of a nature that would normally require approval by the Association, the Member must seek such approval, as provided for in these CC&Rs.

18.6 Special Assessment for Reconstruction. If the proceeds of insurance obtained by the Association are paid to any Mortgagee of a Lot and, by reason of such payment, the insurance proceeds are not made available to the Association as trustee, or otherwise, to effect any repair, reconstruction, or restoration of any damage and/or destruction to all or any portion of the Development as provided in these CC&Rs, the amount of such proceeds not made available must be assessed and charged to and against the Member or Members and his/her Lot as an Emergency Special Assessment. The Emergency Special Assessment must be made by written notification from the Board to the Member or Members against whom made.

18.7 Encroachment. If a Building is partially or totally destroyed and then rebuilt, Members agree that minor encroachments of the Common Area on Lots or of Lots on the Common Area or on other Lots are permitted and that valid easements for the encroachments exist. Such encroachments are not considered to be encumbrances either on the Lots or the Common Area.

ARTICLE 19: CONDEMNATION

19.1 Notice. Promptly upon learning of any potential condemnation or sale by eminent domain, the Board must notify all Members and First Mortgagees who have filed a written request for notice.

19.2 Payment for Common Area. When an action in eminent domain is brought to condemn all or any portion of the Common Areas, the Association must represent the Members in all proceedings, negotiations, or settlements. Awards for the acquisition of Common Area must be paid to the Board, as trustee, for deposit into the Association's Reserves unless a majority of the total voting power of the Association elects to distribute the award among the Members in accordance with their Percentage Interest.

19.3 Payment for Lot. When an action in eminent domain is brought to condemn all or any portion of one or more Lots, the award made for such taking must be payable to the respective Owners of the Lots, subject to: (i) the rights of Mortgagees holding Mortgages covering such Lots; and (ii) all unpaid Assessments of each Member, taken together with interest and other pending charges. The Board of Directors has no responsibility for the restoration of a Member's personal or real property taken as a result of condemnation.

19.4 Revision of Documents. When any part of the Development is condemned, the Board must, as soon as practical, prepare, file, and/or record a revised subdivision map, or other documents, reports, schedules, or exhibits necessary to show the changed or altered status of the Development.

19.5 Status of Membership. If a Lot is taken in condemnation, the Lot ceases to be part of the Development, the Member ceases to be a Member of the Association, and the Percentage Interest in Common Area appurtenant to that Lot automatically become vested in the remaining Members, in proportion to their respective Percentage Interests in the Common Area.

ARTICLE 20: MISCELLANEOUS

20.1 Notice of Airport in Vicinity. This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances can vary from person to person. You may wish to consider what airport annoyances, if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you.

20.2 Amendment. Amendment or restatement of these CC&Rs is permitted by obtaining the affirmative vote of Members comprising more than fifty percent (50%) of the Voting Power of the Association or as provided for by law, provided that the percentage of the Voting Power necessary to amend a specific provision is not less than the percentage of affirmative votes prescribed for action to be taken under that provision. Any amendment enacted in compliance with this provision becomes effective when recorded with the Offices of all County Recorders where the Development is situated.

20.3 Lender Approval. If a First Mortgagee is entitled, by the terms of these CC&Rs, to consent to, approve, disapprove, or object to a proposed amendment to or restatement of the CC&Rs, but fails to return a ballot, or other form providing written disapproval or objection within 30 days of receipt, such First Mortgagee is deemed to have consented to and approved the proposed amendment or restatement, provided the ballot, or other form permitting written disapproval or objection, was delivered by certified or registered mail with return receipt requested and the delivery signed for by a representative of the First Mortgagee.

20.4 Amendment to Conform to Statute. If a provision in these CC&Rs contradicts current law, according to a written opinion of the Association's legal counsel, on the unanimous approval of the Board of Directors and without approval of the Members, the Board is authorized to amend that provision, but only to the extent necessary to render the provision compliant with applicable law. A resolution explaining the need for the change must be adopted by the Board in an open meeting of the Board and recorded in the minutes.

20.5 Term of CC&Rs. These CC&Rs continue in full force and effect for a term of sixty (60) years from the date of their recordation (the Renewal Date), after which time they are automatically extended for successive periods of twenty (20) years. The provisions of this Article are also subject to any prohibitions against partitioning the Common Area that might apply. These CC&Rs may be terminated if, within six (6) months prior to the Renewal Date of any twenty-year extension period, (i) at least seventy-five percent (75%) of the Members and seventy-five percent (75%) of the First Mortgagees approve by secret ballot circulated by the Association via its Board of Directors to terminate these CC&Rs, and (ii) an appropriate governmental agency has agreed in writing to assume the Association's Common Area maintenance, repair, and replacement obligations, and (iii) certification of the Membership's and First Mortgagee's approval to terminate and the agency's agreement to assume maintenance duties are recorded with the Office of County Recorder in which the Development is situated, and (iv) the Association's contractual and other legal obligations are wound up, and (v) all required corporate filings, tax returns, and notices are filed with appropriate agencies to

effectuate dissolution of the Association/corporation, and (vi) insurance tail coverage is purchased to cover any potential liability the Association may have until all applicable statutes of limitations have run their course.

20.6 Attorneys' Fees. In a lawsuit by the Association seeking the enforcement of the Governing Documents against a Member or to determine the rights or duties of the Member under the Governing Documents, the prevailing party may be awarded reasonable attorneys' fees and costs as permitted by law.

20.7 Notices. Any communication or notice of any kind permitted or required to be delivered pursuant to the Association's Governing Documents, or pursuant to the Davis-Stirling Act, must be in writing. Such delivery must be made as follows:

a. *To the Association:*

- i. *Manner of Delivery*. By electronic delivery (email, facsimile, or other electronic means), by personal delivery (for which a receipt will be provided), or by mail (first class, postage prepaid, registered or certified, express mail, or overnight delivery by an express service center). This provision consents to allow personal delivery and electronic delivery to the Association. However, the Association is permitted to withdraw such consent, in writing, as to any Member whose electronic communications or personal visits are abusive or harassing, and limit communications and notices from such Member to mail only.
- ii. *Recipient of Delivery*. The person designated in the Association's annual policy statement to receive documents on behalf of the Association. If no person has been designated to receive documents, the document must be delivered to the President or Secretary of the Association.

b. *To the Members:*

- i. *Manner of Delivery*. For communications and notices subject to the Davis-Stirling Act, in the manner required therein, including individual notice or delivery, general notice or delivery, electronic delivery (with consent), or otherwise. For other communications and notices not subject to the Davis-Stirling Act, by electronic delivery (email, facsimile, or other electronic means), by personal delivery, or by mail (first class, postage prepaid, registered or certified, express mail, or overnight delivery by an express service center).
- ii. *Location of Delivery by Mail or Email*. Delivery must be made according to the Member's preferred delivery method, or if no method is selected, as otherwise determined by Civil Code §4041, and as further provided for in Civil Code §4040 (individual delivery) and Civil Code §4045 (general delivery).

c. *When Notice Deemed Delivered.*

- i. *By Mail.* If a document is delivered by mail, delivery is deemed to be complete on deposit into the United States mail.
- ii. *By Electronic Means.* If a document is delivered by electronic means, delivery is complete at the time of transmission.

20.8 Headings. The headings contained in these CC&Rs are for convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction of any term or provision of these CC&Rs.

20.9 Liberal Construction. The provisions of the Governing Documents must be liberally construed to effectuate their purpose of creating a uniform plan for the use, operation and maintenance of the Development.

20.10 Number and Gender. Words used herein regardless of the number and gender specifically used, shall be deemed and construed to include any other number, singular or plural, and any other gender, masculine, feminine or neuter, as the context requires.

20.11 Severability. The provisions of these CC&Rs and any other Governing Document are deemed independent and severable and the invalidity, partial invalidity, or unenforceability of any one provision has no effect on the validity or enforceability of any other provision.

20.12 No Public Rights. Nothing contained in these CC&Rs is a gift or dedication of all or any portion of the Development to the general public or for any public use or purpose whatsoever.

20.13 Successor Association. If the Association, as a corporate entity, is dissolved, a nonprofit, unincorporated association, without further action, automatically succeeds to all the rights and duties of the corporation. The affairs of the unincorporated association will continue to be governed by these CC&Rs, the Bylaws, Architectural Standards, and the Rules and Regulations, as well as any applicable law.

20.14 Conflicting Provisions. When a conflict exists between these CC&Rs and the Articles or the Bylaws, these CC&Rs control. When a conflict exists between the Articles and the Bylaws, the Articles control. When there is a conflict between the Maintenance Responsibility Chart and any other portions of the CC&Rs, the other portions of the CC&Rs control.

EXHIBIT A MAINTENANCE RESPONSIBILITY CHART

This Maintenance Responsibility Chart attached hereto, incorporated by reference and made a part of the CC&Rs to which it is attached. If there is a conflict between this Chart and any other portions of the CC&Rs, the other portions of the CC&Rs shall control.

The following is a listing of the items within the Development for which Members and the Association are responsible for the routine maintenance, repair and replacement duty, in accordance with the CC&Rs and may not apply to situations where damage is caused by the negligence or willful misconduct of any party.

Unless specifically provided otherwise in the Chart, the items below include the responsibility to maintain, repair, replace and paint (if painting is applicable).

This Chart is provided for convenience as to the general determination of responsibility for the maintenance, repair and replacement of various components of the Development. The physical boundaries of the various components of the Development, such as the Lot and Common Area, are not determinative of the responsibility for routine maintenance, repair and replacement.

In certain situations, the Association's insurance coverage may provide for the repair/replacement of components that are designated as the Members' maintenance responsibility under the CC&Rs, including this Chart. These circumstances shall not be deemed to be, or construed as, modifying the routine maintenance, repair and replacement duties set forth herein.
